EVENT NEWS - ST. PATRICK'S DAY PARADE

BY JOSIE BROWN

Save the date - **Sunday March 15th!** Once again, the booster club will be marching with the Worcester Sharks office and a few players. We had a HUGE turnout last year—it's a great way to show our Sharks and Worcester Pride! The Worcester St. Patrick's Day Parade is a fun filled march down Park Ave, in Worcester, beginning at Mill Street and Park Ave and ending at Elm Park. Colorful floats and costumed characters are always a special delight for the many people who watch the parade on Park Ave, as well as our TV viewers at home who enjoy the parade LIVE on WCTR-TV 3 Charter Communications. Show your Sharks pride (and colors)! For more information, please contact **Josie Brown** @ josie.brown@gmail.com or 508-829-8285.

ALL STAR CLASSIC RECAP - WOW!

BY RICH LUNDIN

I don't think it can be put into words the excitement, the fun, and the pride felt by all involved with this year's All Star Classic held in Worcester! The Sharks organization showed their faith in Worcester by holding this event, and the city, businesses, and of course us fans stepped up big time in their support! The teamwork between the mentioned groups, the DCU Center, Destination Worcester and us boosters was incredible. As a Worcester native and of course a supporter of the Sharks, I could not be more proud of the city, and all those involved in making this event happen. The booster club entertained over 200 boosters in the DCU Center, and it was great to mingle with folks that you may only see once or twice a year (plus make new friends)!

Here's how your booster club supported this important event:

- Welcoming committees at both Logan and TF Green Airports all weekend.
- Emergency and airport transportation as well.
- Welcoming committees at both the Hilton and Crowne Plaza all weekend.
- Hospitality parties (in between events) on Sunday and Monday for the incoming booster clubs - a couple hundred for these parties.
- Handouts at the events.
- Donated over \$3000 in tickets to local charities for families that normally wouldn't be able to attend ANY event.
- Through our 50/50 raffle, donated \$1000 to the Mid-State Jr. Sharks youth hockey program.

There are so many people to thank, that I don't know where to start! Obviously you - the boosters, whether it be getting the word around, helping out at the doors, airports or parties - I salute the fabulous job you did. It certainly was noticed by the Sharks and the city. Thank you to the DCU Center for having the building in tip-top shape and a staff that was 100% professional. A special thanks goes out to City Manager Mike O'Brien, and DCU Center General Manager Sandy Dunn for their help in securing a room for us to host the visiting booster clubs. And of course, a huge thank you to the entire Sharks staff who put on a fabulous event and put smiles on many, many faces and having faith in the Worcester community that this would succeed. And a special thank you to Mike Mudd, who put the knockout bid together for the event, and had faith in us boosters to help out and volunteer for many important duties. Great teamwork everyone!

ROAD TRIP UPDATE

BY RICH LUNDIN

We've had some great trips this year! The last one to see the big club play in Boston was certainly a trip to remember! This weekend there's a van headed down to Wilkes-Barre, and we also have a bus going to Montreal the end of this month to see San Jose play the Canadiens. We have one more trip booked (see below), and we hope to have some playoff trips as well - so stay tuned!. We need to let our guys know that home or on the road, we are their for them!

Our latest trip: **Manchester Saturday March 14th - Cost is \$33 - sign up now at the booster club table!**

Please **email** us at sharksboosters@hotmail.com with any and all of your feedback! Please email or **contact Rich Lundin @ 508-829-8285**. Stay tuned to your emails!

The booster club would like to thank AA Transportation for providing affordable transportation to our road trips! If you ever need bus/coach or limo service, please give them a call! <http://www.aatransportation.com/>

CONCESSION STANDS

WE NEED YOUR HELP!

BY RICH LUNDIN

Last year we had a great response to our need to work concessions. We had over 20 people volunteer for several shows. We raised over **\$4000** in very short year. I can't stress enough how important this is to our club. Without volunteers stepping up to work concessions, you could expect booster club events such as our holiday party and awards banquet to go up at least \$15 per person! Nobody wants that. It also helped in other areas such as the broomball tournament we hosted. We have been able to work the Grandstand which with sellout events has made **\$1000 for the club in one night!**

For anyone that wishes to volunteer their time, we are offering **free parking** at the garage across from Uno's, and **\$5 Booster Bucks** which can be used on any **trip** and also to our **banquets**. We might roll this out to merchandise as well., but haven't got that far yet.

Concessions have gone very smoothly - even for a rookie like me. The DCU Center folks were there for us when needed. Believe it or not (but you can ask the others that did it), we actually had fun doing it!

So it's time to get back on the bandwagon! Don't feel shy if you never have done it before - we have always made sure we had enough people to help each other out. You can run cash registers, fill food trays, flip burgers, you get the idea - it ain't that hard! We had several new people who worked the Keith Urban concert with no issues.

Please email the club at sharksboosters@hotmail.com or call me @**508-829-8285** to signup!

Thanks again!
Rich

THANK YOU BY CHRIS O'SHEA

I want to thank all the cookie bakers and cookie gift helpers that got together one night and put everything together for the Holiday party. Way to go Josie, Linda, Ashley, Caitlin, Laurie, Trish. Everything was a big hit.

I also want to thank everyone for all the help they gave setting up for the party and helping load the toys afterwards.

Big thanks also to all those boosters who helped out during the All-Star festivities whether it was ripping 50/50 tickets, greeting people at the airports, driving and picking people up at the airport, driving the mascots around for their appearances, manning tables at the hotels welcoming fans and guests, picking up the pizzas for booster hospitality, setting up and getting us hospitality space, helping at the hospitality table and coat check room, passing things out before and after the skills, selling 50/50 and overall giving a great impression to those around the league who attended.

Thanks to Rich Lundin for all the work he did on coordinating everything with Mike Mudd and the Sharks as well as with Sandy Dunn and the DCU Center and of course going in to Boston to pick up the Stanley Cup and safely getting it to Worcester.

GAME NIGHT NOTES

BY CHRIS O'SHEA

Wow!!!

What a few months it has been for all of us. We have had the ice storm, all the snow, the holidays and the New Year. We had the Holiday party with the Sharks which was a good time and then the All-Star Classic was here in Worcester. Oh and yes there were hockey games and trips along the way.

It was great to see the turnout for the All-Star game and all the boosters from around the league. It was also great to see former IceCats Rory Ritzpatrick, Bryan Helmer, PR(Captains of Planet USA and Canadian teams respectively) and radio guy Mike Thornton(VP Philadelphia Phantoms) and Coach Don Granato(coaching now with the Chicago Wolves and Planet USA coach) all back in Worcester for the event.

Worcester had five of our own Sharks participating Ryan Vesce (Planet USA),Derek Joslin (Canadian team),Matt White and Vinny Ferraiuolo(on the Canadian bench) and of course Finz who was joined by many mascots from around the league. There were many young talented hockey players from around the league who we usually just read or hear about not counting those from New England that we see all the time that participated and put on a great show both on Sunday and Monday.

There were many former NHL greats on hand as well like Gerry Cheevers, Ron Hextall,as well as ray Bourque who watched his son Christopher compete.

We congratulate Derek Joslin(Worcester) for winning the hardest shot(98.6 MPH) and Ryan Vesce who was on the winning Planet USA team who won the skills 18-12 and the game itself 14-11.way to go guys!!!!

Thanks to the Sharks, the DCU, the City of Worcester, the AHL, the sponsors and all the fans for bringing these festivities to Worcester and for a job well done.The after skills party and the HOF luncheon were terrific. We hope everyone had a great time. It was a BLAST!!!!!!

Now back to Sharks games now, I'm looking for volunteers for the games in February to help at the doors with the Assists and door promos. It would be great if we could see some new faces helping out blending in with those who do it regularly. Games are on **Sat Feb. 21 vs Providence @ 7 PM (Hero's night)There will be a PD vs FD hockey game prior to Sharks, Team Trading cards to first 2500 kids 14& under and post game jersey auction.**

Wed Feb. 25 vs Lowell @ 7 PM

Fri Feb.27 vs Portland @ 8 PM (Special Olympics night) activities taking place prior to Sharks game

Sat Feb 28 vs Springfield 7 PM Brad Staubitz cards to first 3000 fans and post game concert by Brother's Keeper

Any help would be very much appreciated please contact me by Thursday Feb 19th if you can assist in any of these games. Thanks! You can reach me at Hockeynanny20@aol.com

I will need people also for all the March games as well (including 50/50) so check your calendars and let me know when you can help out.
